January 4, 2017

Dear RHE parents,

Council Rock Education Week will be celebrated across our elementary schools from January 17 through 20. The staff and I at Rolling Hills Elementary hope you will be able to visit with us to get a sampling of your child's school experience. The schedule for this special week is as follows:

- Tuesday, January 17 Parent Visitations, 9:30 a.m. – 2:00 p.m.
- Wednesday, January 18 Parent Visitations, 9:30 a.m. – 2:00 p.m.
- Thursday, January 19 Parent Visitations, 9:30 a.m. – 2:00 p.m.
- Friday, January 20 Parent Workshop (*See below for information.*)

In order to help us maintain a focused, productive learning environment for the children, we ask for your cooperation with the following:

- Preschool children are not permitted in classrooms.
- Refrain from any avoidable distractions, such as cell phone calls and sidebar conversations, while in the classroom.
- In order to allow our teachers the time they need to plan, prepare and meet children's needs, please do not seek individual conferences during your visit. Our teachers will be more than willing to schedule a conference with you at a later date, if necessary.
- Avoid bringing any food or beverages into the classroom.
- Please note: Parents are not permitted to attend indoor/outdoor recess and lunch for school safety and security reasons.

We are also offering a workshop to interested parents during CR Education Week. A description of the workshop is on the following page with the location and time. I hope that you are able to attend this worthwhile session, as I am sure that parents will find it helpful. If you are planning to attend the workshop, kindly email me at [ssmith@crsd.org](mailto:ssmith@crsd.org). This will give us better information regarding our set up and preparation.

Thank you for your ongoing support, and we look forward to seeing you during Council Rock Education Week. If you have any questions, please do not hesitate to contact me.

Sincerely,

Sam Smith  
Principal

## **Council Rock Education Week Parent Workshop**

***Question and Answer Session with Mr. Smith (Principal), Ms. Pat Castiglione (IST Teacher), Ms. Elyse Holovak (Literacy Specialist), Dr. Kasey Black (Psychologist), Mrs. Dolores O'Neil (Counselor), and Mrs. Erin Prozzillo (Math Specialist). Friday, January 20<sup>th</sup> at 9:30-10:30 a.m. in the Art Room.***

School issues can be quite complex today, and there is a great deal of educational terms that can be confusing to parents. This workshop will be a session similar to a Town Meeting format that will allow parents to get answers to questions that they always wanted to ask about Rolling Hills, Council Rock, or education, in general. The school representatives will conduct this session in an informal atmosphere to answer any questions parents may have. If you would like to submit a question prior to our session, please feel free to do so in an email to Mr. Smith.
